## School Accountability Report Card

### Reported Using Data from the 2015-16 School Year

#### Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

### School Profile

Frank Ledesma School, in 2014, has been designated as a state Distinguished School which is located in the city of Soledad and is part of one of the fastest growing unified school districts in the County of Monterey. We serve all students in the least restrictive environment. All students in kindergarten through grade six have equal access to the library and computer lab services. Our teachers practice gender equity on a daily basis and this is evident through their use of equity sticks or non volunteers to call upon students and other classroom management practices that promote equity. Students that had special needs and have IEP's are supported either in the classroom or are pulled out by the RSP teacher. We also have a speech teacher and a Mental Health Therapist on campus that provides extra support for our students. Our Family-Student Support Liaison also provides support for families that need extra resources.

The staff consists of twenty-four certificated teachers, one Speech and Language teacher, one English Learner Resource teacher, One Learning Director, a Family and Student Support Coordinator and one Principal. In addition, Frank Ledesma School has on staff a wide variety of personnel to meet the special needs of its student population. These positions include one Family & Student Support Liaison, one library media clerk, one district wide library media teacher, a full time counselor, one health aide, and one district psychologist. Support staff also includes two secretaries, one attendance clerk, three food service personnel, and two custodians & a part time custodian. Because safety is a priority we also have seven pupil supervisors who supervise students before school, during their recess, and at lunch recess times. The certificated staff of Frank Ledesma represents a wide range of experience, talents, and interests; Our Leadership Team members are mentor teachers assisting the staff (especially new staff) in curriculum and procedural matters of the school.

Frank Ledesma receives categorical funds to help meet the special needs of our students. Some of the funding sources are Title I and Title III. We are planning our budget to reflect the areas of focus in LCAP guidelines. All of our Federal, State, and local services and programs are coordinated such that students receive the best possible instructional program in the least restrictive environment.

**Respectful Treatment of All Persons**

The students, parents, and staff of the Frank Ledesma School and the Soledad Unified School District will treat all persons equally and respectfully and will not tolerate the willful or negligent use of slurs, physical violence, bullying, or other behaviors deemed as abusive against any person on the basis of race, language spoken, color, sex, religion, handicap, national origin, immigration status, sexual orientation, perceived orientation, gender identity, economic status, or political belief as it is our mission to celebrate diversity.

The students, parents, and staff of Frank Ledesma School believe in the importance of observations, programs, and curricula that accurately portray and recognize the roles, contributions, cultures, and history of diverse groups and individuals.

No student, parent, or staff member of Frank Ledesma School will be permitted to engage in activities that prevent some individuals, adult or juvenile, from exercising rights enjoyed by others, including liberties decreed in common law, the Constitution, and statutes of the United States. Further, classes are built heterogeneously such that students who are categorically funded are not isolated or segregated.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

#### Professional Development (Most Recent Three Years)

Both formal and informal staff development is available to the staff members of Frank Ledesma Elementary School. There are two days of staff development prior to the opening of the school year, and two days planned during the school year. There is a formal course of study for the entire staff during the school year. We have staff development every week during our staff meetings. Every Wednesday the staff meets in grade level teams to determine the next approach to the curriculum, review student successes and needs, and to review district assessments. Teachers also use this time to develop standards based lesson plans.

A formal Staff Development Plan is developed each year to ensure that the staff development is an on going program for our staff. Copies of the Frank Ledesma Staff Development Plan are available for examination at the school.
